Health Insurance Exchange Notice

For Employers Who Offer a Health Plan to Some or All Employees

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: The Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact:

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name BeginRight, Inc.	4. Employer Identification Number (EIN) 93-0915902	
5. Employer address 3708 NE 122nd Ave	6. Employer phone number (503) 254-5959	
7. City Portland	8. State Oregon	9. ZIP code 97230
10. Who can we contact about employee health coverage at this job? Brian Bixby		
11. Phone number (503) 254-5959	12. Email address bbixby@beginright.com	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
 - Some employees. Eligible employees are:
1st of the month following 60 days after date of hire; 30 hours or more per week
- With respect to dependents:
 - We do offer coverage. Eligible dependents are: Your legal spouse or domestic partner (same or opposite gender). Your children up to the age of 26, including biological child, stepchild, adopted child or child placed for adoption, dependent children of a covered domestic partner.
 - If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

Note: Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you or your dependent(s) lose coverage under a state Children's Health Insurance Program (CHIP) or Medicaid, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days after the loss of CHIP or Medicaid coverage.

If you or your dependent(s) become eligible to receive premium assistance under a state CHIP or Medicaid, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days of the determination of eligibility for premium assistance from state CHIP or Medicaid.

To request special enrollment or obtain more information, contact Brian Bixby at 3708 NE 122nd Ave., Portland, Oregon 97230, (503) 254-5959, bbixby@beginright.com.

Employer's Children's Health Insurance Program (CHIP) Notice

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2019. Contact your State for more information on eligibility —

Newborns' and Mothers' Health Protection Act Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Medicare Part D Creditable Coverage Notice: Option Advantage Premium (B) Providence Health Plan

Important Notice from BeginRight, Inc. About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with BeginRight, Inc. and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. BeginRight, Inc. has determined that the prescription drug coverage offered by the BeginRight, Inc. is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current BeginRight, Inc. coverage will be affected. Plan participants can keep their prescription drug coverage under the group health plan if they select Medicare Part D prescription drug coverage. If they select Medicare Part D prescription drug coverage, the group health plan prescription drug coverage will coordinate with the Medicare Part D prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your current BeginRight, Inc. coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with BeginRight, Inc. and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Medicare Part D Non-Creditable Coverage Notice: HSA Qualified Providence Health Plan

Important Notice from BeginRight, Inc. About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with BeginRight, Inc. and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- BeginRight, Inc. has determined that the prescription drug coverage offered by the BeginRight, Inc. is, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from the BeginRight, Inc. This also is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
- You can keep your current coverage from BeginRight, Inc. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

When Will You Pay a Higher Premium (Penalty) To Join a Medicare Drug Plan?

Since the coverage under BeginRight, Inc., is not creditable, depending on how long you go without creditable prescription drug coverage you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that's creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current BeginRight, Inc. coverage will be affected. Plan participants can keep their prescription drug coverage under the group health plan if they select Medicare Part D prescription drug coverage. If they select Medicare Part D prescription drug coverage, the group health plan prescription drug coverage will coordinate with the Medicare Part D prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your current BeginRight, Inc. coverage, be aware that you and your dependents will not be able to get this coverage back.
